

## Pre-Shoot Checklist

Thank you for choosing Better Angle Media. We have prepared this checklist to help guarantee great photographs of your client's property. We typically photograph every room in the client's home.

Please ask that your client follow these steps at least one day in advance of our appointment to photograph your client's home. Following these steps will insure that our photo shoot goes smoothly and without delay.

- Manicure the yard.
- Remove all yard clutter.
- Stow away pool toys (rafts, floats, etc.).
- Remove and stow away pool sweep if possible
- Replace burned out light bulbs
- Clean and stage the home. Hide the clutter (less is best).
- Remove all kitchen-cleaning supplies (soaps, brushes, etc.) from sinks and countertops.
- Remove all personal toiletries (soaps, shampoos, makeup, etc.) from bathroom tubs, showers, and countertops.
- Remove all personally identifiable objects. We shoot high definition images.
- Hide pet accessories (water/ food bowls, litter boxes, toys, etc.).
- Please kennel pets out of sight or be available to move them when we are at your client's home shooting photography or video.
- Remove all vehicles from driveways and the front of the home.

Thank you for choosing Better Angle Media for your photography and videography needs!
